

ALV A 50

Short description

Exhaust air valve with constant volume flow of 50 m³/h, for use in central ventilation systems

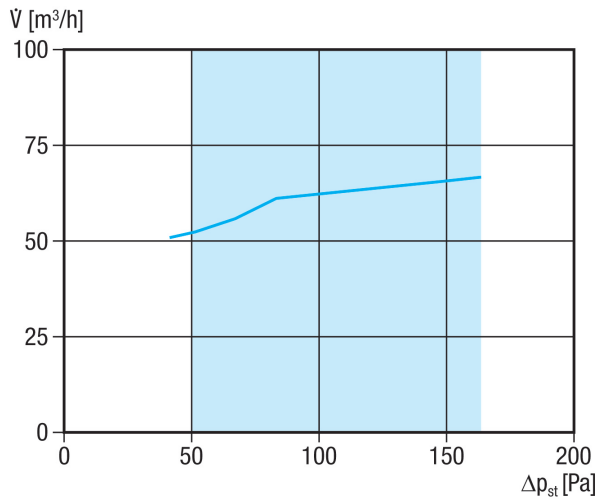

Article number 0151.0422

Technical data

Air direction	Exhaust air
Installation site	Wall / ceiling
Type of installation	Surface-mounted
Material	Synthetic material
Colour	similar to traffic white, RAL 9016
Weight	0,17 kg
Weight including packaging	0,18 kg
Connection diameter	125 mm
Nominal size	125 mm
Width	180 mm
Height	180 mm
Depth	79 mm
Width with packaging	180 mm
Height with packaging	180 mm
Depth with packaging	79 mm
Packing unit	1 piece
GTIN (EAN)	4012799514220
