

### Short description

Centrifugal blower made of metal for high-pressure applications, 8-pole, size 450, three-phase AC, for use in potentially explosive atmospheres, medium: gas

### Application examples

explosion-proof industrial applications

Article number

0073.0419

### Technical data

| Air flow volume                                      | 5.350 m³/h                                 |  |  |  |  |
|--|--|--|--|--|--|
| Rotating speed                                       | 720 1/min                                  |  |  |  |  |
